Children of Light, seeking the Pathway Home:

In every Age, through the Mercy, the Grace and the Love of God there have been provided chelas whose service to the people of Earth included the translation of God's Plan through their consciousness, in a manner which the outer intelligence of the aspirants, and the unawakened, might understand and accept. The work of the Spiritual Hierarchy is hindered because the Ascended Masters can present Their Plans to such a limited number of embodied spirits by reason of the fact that the consciousness and spiritual development of the people inhabiting Earth-bodies are not always fully receptive to the impressions of the Divine Will.

You, My faithful chelas, have been among those so chosen at this time, to be the cables that hold the Bridge from the Divine to the human octave. Your great privilege is not always fully understood by your outer selves. Remember always, that to help open a way and means by which the Spiritual Hierarchy may show the Divine Plan to the people, is a great responsibility. When the Spiritual Hierarchy can contact a group of people and give them conscious and personal instruction it aids the evolution of the planet (as well as those so privileged) tremendously.

If the Wayfarers upon The Pathway can realize that every ounce of God's Life-Energy used to fulfill the Divine Plan (after It has served Its good purpose in energizing the planet) returns to the individual's storehouse as a conscious magnet which draws the outer self higher in its own evolutionary scheme - they would continue to pour out good deeds and fill their storehouse, as one would pour helium into a dirigible which would lift more than its own weight at the point when the balloon was full. When the Causal Body is charged with enough of this kindly God-qualified Energy, Its own magnetic power will raise the human self as easily as the great dirigible rises above the magnetic pull of the Earth, into the Ascension!

For your aspirations, your calls for the Earth, her peoples and evolutions, and for your personal upward reaching, I bless you.

Love and Blessings

MAHA CHOHAN.
